Judges Critique

Driffield 2019

DALMATIAN

I would like to thank the exhibitors for such a lovely entry and for accepting my placings, I would also like to thank my stewards for keeping everything running smoothly in the ring. Overall I found bites and temperaments good. I think we need to watch tails and front and rear movement. I also noticed some exhibits with cow hocks when walking down the line these are things that you can work on. When you decide to have a litter do your research carefully and don't be afraid to ask experienced breeders for guidance they are always willing to help.
