

**JOINT DALMATIAN CLUB'S PUPPY LIST REGISTRATION
FORM**

The Puppy list is normally coordinated by one of the Dalmatian Clubs. At present this is the NoEDC. Once submitted it will appear on all of the clubs websites. To add your litter to the Puppy List, please complete and return the form below, retaining this upper part for your records.

SO THAT THE PUPPY LIST MAY BE EFFECTIVE IT IS MOST IMPORTANT THAT YOU ADVISE THE COORDINATOR WHEN ALL YOUR PUPPIES HAVE BEEN SOLD. Members of the public find it very frustrating to be given Members' details, only to find that all the puppies have been sold already.

The following points regarding the operation of the list are brought to your attention;

- Registering your litter of puppies, **(which must have been bred in accordance with the Dalmatian Clubs' current Code of Ethics)**, will entitle them to be included on the list for a maximum of **five months** from date of birth, after which time a **further registration will be required once your litter is 8 weeks old** when you are to inform the list coordinator (presently Rebecca Croft of the NOEDC), **and every two weeks thereafter** if they wish to remain on the list, (up to the five month maximum) otherwise your name will be removed.
- **Puppies will be removed from the Puppy List once they reach twelve months of age.**
- Sire & Dam information is to be included on the application, although this information will not be published.
- Only one contact person per litter will be allowed, who must be a club member.
- Every litter must be registered separately.

Please use the space below to keep a record of your inclusion on the Puppy List, and any renewals of your entry.

Please add my name to the Joint Dalmatian Clubs' Puppy List.

In registering to advertise on the Clubs' Puppy List I confirm my litter has been bred in accordance with the Dalmatian Clubs' current Code of Ethics. I understand that my name will remain on the List until the puppies are 8 weeks old. Thereafter, and provided that I advise the coordinator at 2 week intervals that I still have puppies from the registered litter available, my name will remain on the list for each further 2 week period (up to the puppies maximum age of 5 months).

I undertake to advise the coordinator at the earliest opportunity, of my wish to be removed from the list once all my puppies have been sold.
