Judges Critique

British Dalmatian Club Championship Show
31st July 2021

Dogs Judge: Penny Wills

I really enjoyed my day's judging. Thank you for a lovely entry. There were some quality exhibits and generally I found that the standard of the dogs has improved since last time I judged. It seemed that some dogs were carrying a few extra lockdown pounds and were heavy over the loin. Feet and nails were good with only one dog's nails clicking as they moved on the hard floor due to being too long. Very sadly, as usual, some dogs' coats were extremely dirty, even to the point of smelling filthy and one or two had sore patches. I find this strange when you are exhibiting your dog at a breed show but a sad way to keep your animals full stop. Two exhibits displayed temperament faults but not severe enough to be sent from the ring. Handling was on the whole better than 3 years ago, with less yanking the dogs about on the move and not so many very tight leads.

MPD (3) 1. Alexander's Offordale Bennett. Happy puppy. Well up in size but looks like he has almost finished growing and well balanced. A little bum high. Needs to tighten up a little all over. Good round bone. Well-muscled. Drove round the ring. Just preferred his overall shape to the winner of PD. BPIS 2. Crookes' Dalberry the Starburst. Happy baby really enjoying his day. Correct liver colour. Long arched neck. Round bone. Lovely topline and tail carriage. Crabbing on the move today so lost out to 1. Will tighten as he grows matures. 3. Johnson's Dalstorm Incan Mission

PD (7) Typical juvenile males, there was a lot of dally rash in this class. 1. Croft's Sophtspot Midas Touch for Koroyza. Another one who doesn't need to grow anymore. However, well balanced all over. Clear coat, lovely spotting and excellent pigmentation. Correct angulations front and rear, and well-muscled meant that he could move with great reach and drive. 2. Tingey's Dallyador Lockdown Legend. Also larger cast but well balanced. Correct liver colour with clear coat. Lovely ear carriage and expression. Super long neck leading into level topline. Excellent lay of shoulder and well-muscled. Lacking co-ordination on the move so lost out to 1. 3. Wright's Millbelle Crazy Horse

JD (1) 1. Stocks' Sophtspot Lionheart at Nospar. Young stallion dog with good depth of brisket. Lightly spotted but beautiful clear coat. Broken large ears which he uses well. Round bone. Correct angulations front and hind.

Well-muscled. Covered the ground with ease.

YD (4,2a) 1. Hutchinson's Tyrodal Angel Delight. Attractive dog. Lovely broken ears which he used well. Happy temperament but a little proud of his tail. Good liver pigmentation. Long neck with level topline. Tight cat feet.

Well-muscled. Really driving off hind quarters. Front needs to tighten. Should develop into a nice dog. 2. Dawson's Washakie Sun Warrior. Lovely clear black spotting. Broken ears. Long arched neck. Smooth over the withers. Falling away over the croup so tail set a little low. Round bone. Tight feet. Out moved today by 1.

ND (1,1a)

GD (5,2a) 1. Chattaway's Buzzbrook Spellbreaker. Clear black spotting but coat needed attention. Excellent pigmentation. Tight feet and good muscle tone. Obviously well exercised. Long arched neck, clean withers, correct tailset. Out moved others in the class driving powerfully around the ring. 2. Handyside & Sampson's Dalstorm Future Formula. Very happy temperament. Lovely broken ears and clear spotting. Clean withers. Level topline. Correct tailset. Good round bone. Moved well and efficiently but outshone by 1. 3. Szymikowski's Kenynten Gladion

PGD (7,3a) 1. Croft's Kalokairie's Great Gadsby at Koroyza. Excellent liver pigmentation. Clear spotting. Ears large and correctly set on, used well. Long arched neck, level topline and correctly set on tail. Correct angulations front and hind. Young stallion dog. Moved with ease. 2. Green & Sears' Alphadal Ain't Misbehaving at Judally JW. Similar type to 1. Lovely long neck and level topline. Correct tailset and carriage. Well laid back shoulders with correct angulations. Moved efficiently but without the sparkle of 1. 3. Alcock's Kayjule Kelper at Dalsparton

MLD (7,1a) 1. Kembrey's O'Malley des Dalmats de la Pierre Sacree at Dalmark. Res CC. Lovely young liver dog. Not overdone in anyway. Very attractive head and expression. Arched neck. Clean withers. Correct tailset and carried correctly on the move. Well-muscled with round bone. Excellent feet. Steady, balanced mover. 2. Sampson's Dalstorm Golden Guinea JW. Another liver with dark pigmentation. Clear spotting. Broken ears. Masculine head. Deep chest. Level topline. Lacking the muscle of 1 and preferred the front on 1. 3. Williams' Tolkain Storm King from Phadante JW LD (6, 2a) The quality class of the day. 1. Emmett & Simons' Ellemstra Against All Odds JW.CC. BOS. Fantastic young dog who sparkles in the ring. Long arched neck, level topline, correct tailset. Dark pigmentation. Tight cat feet. Steady driving movement. Demands to be noticed. 2. Richardson's Pocket Rocket. Deep brisket on this young stallion dog. Masculine head but not coarse. Level topline maintained on the move. Very fit condition. Well defined second thigh. Another great mover. 3. Whincup's Tamilanda Air Force One

OD (5,1a) 1. Locke-McFadzean's Caprillis Panache over Sassafras (Imp USA) . Attractive masculine head. Broken ears. Long neck with clean withers and level topline. Tailset maybe a little high. Good straight front with round bone. Excellent tight feet. Steady movement round the ring. 2. Christie's CH Sophtspot Gold Dust JW. More up on the leg and lighter cast than 1. Excellent liver pigmentation. Long neck with level topline. Good turn of stifle. Moved with power and drive. Coat had several sore spots so missed out on first place. 3. Hopkin's CH Rapanooney Red Rose JW

Sp Mem OD (1) 1. Alexander's Offordale Nijinski. Clear black spotting. Broken ears framing his face giving kind expression. Level topline with correct tailset. Long arched neck. Round bone. Straight front. Rythmic driving movement round the ring.

Sp Jnr VD (7,3a) 1. Edens' Dalens Hot Gossip JW ShCM VW. BVIS Gave him his first CC in 2013. Still looks really well and is having a great time in Veteran classes. Maintaining his topline and still great muscle tone. At nearly 10, a credit to his owners. 2. Davis & Scott-Allen's Tolutim Yaffle. Another boy that I placed in 2013 and still looking great at 9. Lovely dark pigmentation. Broken ears framing his face. Well muscle. Long neck. Well laid back shoulders. Just prefer overall shape of 1 and not so well balanced on the move as 1. 3. Pace's Big Addo VW

Sp Sen VD (1) 1. Whincup & Sibson's CH Tamilanda Vintage Pink JW I first judged him in 2012 in MPD when I

awarded him BP. So nice to see to see him so well and enjoying his day out. Clear spotting with no ticking. Maintaining his topline, moving rhythmically although hindquarters now weakening a little. A credit to his owner.
Brace (4,2a) Congratulations to the handlers in this class! 1. Pace's. A true brace of dog and bitch. Moved together so well. 2. Finch and Bonner's.

Penny Wills (Judge)

BITCHES

Thank you to everyone who entered under me at the first BDC indoor show to be held in what seems like an eternity. Congratulations

to the Officers and Committee for the excellent job they did in organising and running a successful show in very difficult circumstances. I thoroughly enjoyed my day and had a lovely entry of high quality bitches to go over. My thanks go also to my stewards whose invaluable assistance kept me on track as far as time was concerned and allowed the ring to smoothly and efficiently.

I found some variation in size amongst the bitches, with some being too fine, some fronts very narrow and tailsets in some set on and carried too high. Handling skills and temperaments were all excellent, with no signs of either having suffered due to the lack of ringcraft classes and socialisation over the last 18 months. I had some very difficult decisions to make, as there was so much quality in some classes that not only would I have liked to have been able to award more 1st places but at the end of the day I could have happily handed out more than the one CC available.

MPB (3, 1a)

1. Cattermolesâ€™™ Jasquarella Ice Queen of Kalvadene Pretty, well-balanced 8-month old b/w with attractive decoration and dense pigmentation. Lovely dark eye and appealing head. Nicely made throughout with good reach of neck into well-laid shoulders, level topline and good bend of stifle. Moved very positively and with good drive for one so young.

2. Goodswensâ€™™ Alphadals Aint She a Star Another pretty 8-month b/w but more immature than 1. Well spaced bold spotting and lovely dark pigment on pure white coat. Pleasing head, good reach of neck and depth of chest. Not as confident on the move as 1.

PB (6)

1. Richards Hafwenna All That Jazz Much to like about this very feminine 9-month old b/w. Scores well on size and body shape, giving a nicely balanced outline. Attractive head, elegant neck, quality bone, nicely decorated, well angulated fore and aft and correct tailset. Moved steadily and covered the difficult floor well. BPB

2. Hopkinsâ€™™ Dvojica Evangelista Another very attractive 9-month old b/w. Well grown and on a larger frame than 1. Strong bone, lovely dark eye, good spotting and pigment. Very nice reach of neck, level topline and strong rear quarters which she used to advantage on the move.

3. Finlaysâ€™™ Dvojica Excuse My French at Dalfin

JB (12, 2a)

1. Whincupsâ€™™ Tamilanda Continental Gold Beautiful 15-month old l/w of depth and quality. So elegant and strong throughout but losing nothing of her femininity. Superb on the move, covering the ground with effortless ease. RBCC and RBIS

2. Whiteâ€™™s SophtSpot La De Da at Belsmard 16-month old b/w. Finer in head than 1 but well balanced, of good size, and nicely made. Clear, well-defined spotting on good quality coat with good dark pigmentation and eye. Strong rear quarters with good bend of stifle. Handled to advantage and did not disappoint on the move. Close decision between 2 and 3.

Nice reach of neck into clean and correctly placed shoulders. Level topline into well-set tail. Good bend of stifle and lovely tight feet. Moved round the ring with ease.

2. Christieâ€™™s Sophtspot Josephine Pretty b/w, little taller and longer than 1 and not quite so strong in front, but overall of good proportions. Lovely dark pigment and lovely clear dense decoration on excellent white coat. Nice reach of neck, level topline, good depth of chest and well-set on and carried tail. Moved well.

3. Littlerâ€™™s Dalmark The Kir Royale

PGB (11,2a)

1. Richardsâ€™™ Divazziâ€™™s Desire For Romance at Hafwenna Very well proportioned b/w of good size and substance. Really liked her make and shape. Very feminine head into well-arched neck. Scored well in front. Level topline and good rise over the loin. Strong rear quarters and good tailset. Moved correctly and with purpose to cover the ground well.

2. Thornersâ€™™ Alphadals Sweet Dreamer of Naracoopa Attractive, outgoing b/w built on a larger frame than 1. Lovely dark eye and appealing alert expression. Clear, well positioned spotting on a tight white coat. Lovely reach of neck, strong bone and correct tailset. A little too enthusiastic on the move, but once settled demonstrated good drive. Preferred the front of 1.

3. Donnelly'sâ€™™ Tamilanda Memphis Belle

MLB (3)

3. Lewisâ€™™s Kaytoni Have You Seen Her JW

LB (9)

1. Tingey'sâ€™™ Dallyador Secret Addiction Pleasing in outline, substantial but very elegant b/w of balanced proportions. Attractively decorated with clear dense spotting and well-broken ears. Feminine head, excellent reach of neck, level topline, good depth of chest and length of loin. Strong rear quarters and correct tailset. Quietly and effectively handled on the move to demonstrate her good reach and drive.

2. Stocksâ€™™ Pandamax Lady Martini to Nospar JW Very different to 1, as built on a smaller, more compact frame, but nevertheless an attractive, well-made bitch of balanced proportions. Super clear, bold spotting of the deepest pigment. Darkest of eyes and very kind expression. Scored well in front, depth of chest, bone and well-angulated rear quarters. Covered the ground soundly on the move.

3. Warehamâ€™™s Tamilanda Valentina Lilly at Dotsadaisy

OB (10,2a)

1. Wrightâ€™™s Ch Millbelle Fernie JW JWWâ€™™18 Heading up this fabulous class, beautiful top quality l/w whose show career I have followed with interest. So well balanced and feminine throughout. Most elegant of heads with lovely dark eye. Nicely decorated and good liver pigmentation. Nicely arched neck into well-laid shoulders. Good depth of chest, spring of pastern, tight feet, level topline, and strong rear quarters. Moved effortlessly and very soundly round the ring.

2. McManusâ€™™s Boschendal Ashes of Roses This lovely b/w is another who is really nicely put together and fits the standard well. Very appealing in head and has a beautiful expression. Reachy neck, strong front, well-sprung ribs, good spring of pastern, tail correctly set on and well carried. Showed good reach and drive as she moved round the ring.

3. Croftâ€™™s Ch Kalokairieâ€™™s Barberella From Koroyza

Sp Mem OB (4, 1a)

1. Gardnersâ€™™ Ch Dvojica Chilli Chutney for Wrendragge Last judged this l/w in 2017 when I awarded her the RBCC from the Junior class. In my opinion she has matured into an outstanding example of the breed. She has depth and quality in every department. Classic, elegant head, lovely reach of neck, eye-catching decoration of correct liver colour, good front and depth of chest, level topline, good length of loin, well angulated fore and aft, good tailset. Presented a beautifully balanced outline when standing and flowed round the ring with her powerful, true and effortless stride. Faced some really strong competition today but could not be denied the BCC and delighted to see her go BIS

2. Alexanderâ€™™s Offordale Viktoriana Lovely b/w top quality bitch of good size and nicely balanced throughout. Beautiful dense black decoration and excellent coat quality. Very attractive feminine head and good dark eye. Elegant reachy neck, very good front and depth of chest, correct angulation fore and aft and correct tailset. Sound and effortless on the move. Best Black Bitch

3. Wilkinsonâ€™™s Ch Gwynmor High Five to Hunacres (IMP NLD) JW

Sp Jun VB (9,1a)

1. Gardnersâ€™™ Ch Dvojica Black Again at Wrendragge JW Stylish 8-year old b/w full of quality with elegant classic head and appealing expression. Lovely reach of neck, good lay of shoulder and depth of chest into strong loin and hindquarters with good bend of stifle. Showed she can still command the ring as she moved soundly and gracefully keeping her level topline. BVB

2. Finlayâ€™™s Ch Dvojica Black Swan at Dalfin ShCM Litter sister to 1 and another quality 8-year old b/w of good size and balance showing no signs of her maturity. Feminine head, super dark pigment and attractive markings. Good reach of neck, strong front and good depth of chest and well-angulated hindquarters. Not moving as strongly as 1 today.

3. Wilkinsonâ€™™s Ch Gwynmor High Five to Hunacres (IMP NLD) JW

Sp Sen VB (2)

1. Thornersâ€™™ Tolutim Evensong at Naracoopa ShCM Attractive 10-year old b/w in very good condition who refuses to believe she is a senior veteran. Feminine head with lovely dark eye, nicely decorated, up on her toes, good length of loin and bend of stifle and well-carried tail.

2. McManusâ€™™s Boschendal Lady In Red ShCM Elegant, 11-and-a-half year old l/w still retaining many of her qualities. Feminine and well proportioned, attractively decorated with good liver pigment. Had to give way to her younger classmate today, but showed she could still move soundly as she used her strong rear quarters to cover the ring well.

Brace (4,2a) (Judged Jointly)

1. Paceâ€™™s. Very well matched l/w true brace of dog and bitch, skilfully handled, and moved round the ring together as one.

2. Finch and Bonnerâ€™™s. Close decision as these two b/w bitches were also well matched and moved well together. Naomi Forrest (Judge)
