Judges Critique

Bath 2021

Huge congratulations to the Officers and Bath Committee for staging a wonderful show in very challenging circumstances. Thanks also to my able stewards, Dave and Andy, for helping me to make the best use of the ring. But the biggest thank you goes to you, the exhibitors, for providing me with a stunning entry, despite the glut of shows being staged at the moment. It was a lovely entry to go over and you topped the Utility Group numerically. As most of you were aware, I have decided to retire from all further judging. It is 40 years since I awarded my first set of CCs at Perry Park. During this period I have had some exciting appointments and had my hands on some wonderful dogs. I have had the privilege and pleasure of judging in ten different countries on 18 occasions, memories of which I shall always treasure. I have one further appointment to fulfil and that is as Referee at the next Jt. Clubs' Ch Show, and I consider this as so very appropriate to finally bow out. Thank you all again for a lovely entry. The general standard today was very acceptable and it was pleasing to see more loose lead handling and much more consistency in correct head shapes. However, I do have a couple of concerns. The first is that I was rather surprised at the number of exhibits who were carrying excess weight, and the second of more importance, is the tail set and carriage. The first comment is easily immediately rectified, but the latter concern needs to be given serious consideration by breeders when arranging their breeding programme in order to preserve that section of the breed standard.

VD (2)

1 Eden's Dalens Hot Gossip JW ShCM VW. 10 yrs, certainly not looking his age, in superb body and coat condition, pleasing head shape, level topline, he has a strong loin and well muscled at rear, moving with good drive, and a credit to the breed. BV

2 Pace's Big Addo VW. 9 yrs l/w of a different type to first. Lighter in profile but well balanced, coat in good condition, moving out quite well in profile but a little close behind going away.

MPD (2)

1 Alexander's Offordale Bennett. Exuberant 8 mth b/w puppy, pleasing head shape on a reachy neck and good spring of rib, well shaped hindquarters which he used to power round the ring. Needs to tighten up all round, but very promising.

2 Crookes' Dalberry The Starburst. 8 mths l/w, smaller framed than first but well balanced, attractive headpiece, still finishing. Level topline and correct brisket giving a good underline, needs more time to settle in movement.

PD (6, 1)

1 Croft's Sophtspot Midas Touch For Koroyza. Very promising 10 mth old, well balanced, lovely headpiece into arched neck and level topline, he has well shaped hindquarters, straight front, good bone, moving true, well-schooled, nice decoration and well handled.

2 Tingey & Tingey's Dallyador Lockdown Legend. Well grown l/w, masculine head, well spotted, clean wither into a good topline, moving out well with good drive from rear.

3 Wright's Millbelle Crazy Horse.

JD (3)

1 Fahey & Hilton's Tamilanda Intergalactic. Well grown b/w. Rangy young dog showing a lot of potential, must not grow on too much. He has a well-shaped skull, masculine in type, attractive ears well set, well balanced in profile and correct tail set, moves round with ease.

2 Fellows' Steyndal Rocketman. Smaller framed b/w, well-shaped headpiece and ears, correct brisket and a level topline, moving round with good gait.

3 Cripps' Tamilanda Supernatural.

YD (4, 2)

1 Moate's Sundowndal Trijonkuro. Strongly built young b/w with a masculine head shape into clean wither and topline. He has a deep brisket giving a good underline, well boned, straight front and well developed hindquarters, powerful mover and handler just needs to get a rhythmic movement by checking it slightly.

2 Dawson's Washakie Sun Warrior. Liked the shape and outline to this well decorated b/w, looks quite elegant in profile, but still masculine attractive headpiece, eye and expression, clean wither and level topline, handler and dog need to gain in confidence, but this will come in time.

ND (3)

1 Fahey & Hilton's Tamilanda Intergalactic. Repeat.

2 Wright's Millbelle Crazy Horse. 8 mths. Third from puppy class. A well balanced puppy, showing a lot of potential. Pleasing head shape, nice topline, straight front and well-shaped rear and moving out quite truly.

PGD (6, 1)

1 Richardson's Mapplewell Pocket Rocket. Well-constructed b/w, so well balanced, strongly built with masculine head features and deep pigmentation, deep chest and ribs well sprung, well developed quarters which he used to power round the ring with rhythmic gait, good tail set.

2 Croft's Kalokairie's Great Gatsby At Koroyza. L/w, well spotted headpiece into nicely arched neck, clean wither into correct topline, straight front, well boned down to good feet. Another one moving with good drive.

3 Sampson, Sampson & Sampson's Dalstorm Golden Guinea JW ShCM.

1 Emmett & Simons' Ellemstra Against All Odds JW. Beautifully presented, typical in head with good ear set, clean lines, good tail set correctly on move, straight front on strong bone and good feet, superb in hindquarters and turn of stifle, good pigment, moved effortlessly round the ring, in complete unison with handler. Attentive to handler at all times. DCC, BOB and Gp4

2 Sims' Mullabuoy Magic Man For Snowspeeder JW. Well balanced clean lines on this b/w, lovely decoration, pleasing head, archy neck, straight front, good tail set, moved out fore and aft and in profile very truly.

3 Kembrey's Malley Des Dalmats De La Pierre Sacree At Dalmar.

OD (5, 1)

1 Neath-Duggan & Baker's Ch Buffrey Incognito By Dalleaf JW. Well-presented b/w with dense bold spotting on good white background. Deep pigmentation and correct construction, attractive headpiece, good shoulder placement which gives him good fore reach on the move, complements his good hind action, strong loin into well muscled hindquarters. Very close up to first. RDCC

2 Croft & Cobb's Ch Kalokairie's Bullet Proof. I have always admired this well constructed l/w. He has a masculine head, clean lines and good muscle tone throughout, strong front, good bone and feet, well sprung rib and strong loin, moved with real drive and well handled.
