# Judges Critique

British Dalmatian Club Open Show â€“ Saturday 14th May 2022

I would like to thank the British Dalmatian Club Committee for the opportunity to judge at this open show. Also to all the exhibitors who entered their Dalmatians and accepted my placings with such good grace. Thank you to my two efficient stewards, Elaine Tilson and Brian Chessell, who kept everything running smoothly, as well as those who gave up their time to ensure the show could run. Without these people who give up their time we would not be able to enjoy our hobby.

## Minor Puppy Dog (3-1A)

1st Woottonâ€™s Tolkain Caliban, this black spotted 8 month old had a handsome masculine head set on elegant neck, still needs to tighten up in the front, but he had good rear angulation, he won this class as more settled on the move than 2nd place

2nd Christieâ€™s Sophtspot Perfect Storm, just 6 months old, this black spotted boy was a delight to meet, stood he presented a balanced outline, still very much a puppy in head and he wasnâ€™t as settled on the move as 1st place

## Puppy Dog (6-0A)

1st Smithâ€™s Rapanooey Sugar Donut, 11 month old black spotted lovely stamp of a dog, masculine head, good width of chest and front angulation, good bend of stifle and a lovely rounded hindquarters, expertly handled to show off his fore and aft movement, with a smooth rhythmic gait in profile he covers the ground with ease BPD

2nd Woottonâ€™s Tolkain Caliban â€“ placed 2nd in MPD

3rd Lyallâ€™s Gloriandus Crown Prince of Jasquarella TAF NAF

## Junior Dog (4-0A)

1st Wilkinsâ€™ Gloriandus Petersburg At Salvadorada (IMP RUS) NAF, 13 month old, black spotted boy won this class with his easy flowing movement driven from his rounded, muscular hindquarters, lovely masculine head, well off for bone this boy has a deep chest, straight legs to tight cat feet

2nd Croftâ€™s Koroyza Viking Voyager, 14 month old, liver spotted boy of a different make and shape, shown in tip top condition, he has an elegant balanced outline when stood, it was a shame that on the move he kept trying to put his head down which meant his movement seemed less relaxed than 1st place

3rd Crookes Dalberry The Starburst, I have to mention the excellent rapport with his young handler who moved him on a loose lead which is always a pleasure to see when done to perfection

## Yearling Dog (5-0A)

1st Richards Hafwenna We Will Rock You, 20 month old black spotted boy, masculine, honest dog of good proportions and outline, deep, capricious chest and rounded hindquarters, good muscle tone could imagine him going all day, shown on a loose lead his movement was effortless, I just preferred his maturity to 2nd place

2nd Wilkinsâ€™ Gloriandus Petersburg At Salvadorada (IMP RUS) NAF placed 1st in JD

3rd Hobbs & Whitingâ€™s Rapanooey Ranunculus

## Maiden Dog (3-0A)

1st Christieâ€™s Sophtspot Perfect Storm placed 2nd in MPD, although only just six months his reach and drive on the move was more fluid when compared to the others in this class.

2nd Wilkinsâ€™ Jasquarella Fire â€“ Ice at Salvadorada, 3 year old, lightly spotted liver dog, moderate head, with kind expression, unfortunately tended to look up at his handler on the move which stilted his movement

3rd Nicholsonâ€™s Dalmalli King â€“ Country (IMP ZAF)

## Novice Dog â€“ No Entries

## Graduate Dog (4-1A)

1st Dawsonâ€™s Washakie Sun Warrior, 2 year old, even covering of black spots on crisp white background, lovely masculine head set on good length of neck, balanced outline when stood still, handler tended to fidget which he copied, won the class on his effortless movement

2nd Gardnerâ€™s Wrendragge Stone The Crows 2 year old black spotted, another lovely masculine head, super deep chest and good front angulation, Iâ€™d like to see more muscle and strength in his rear to balance his more powerful front assembly

3rd Robbins & Hensmanâ€™s Jasquarella Edge Of Winter

## Post Graduate Dog (1-0A)

1st Gardnerâ€™s Wrendragge Stone The Crows â€“ placed 2nd in GD

## Limit Dog (8-2A)

Wow what a class of up and coming male dogs, I was splitting hairs with my first three in this class, all wonderful examples of the breed, whose movement was effortless and free flowing, it was breath-taking to watch this class power around the ring.

1st Townson & Pardoeâ€™s Kaytoni Oh What A Night at Daymadals, this 3 year old I had not had the pleasure of judging before, and only ever seeing him from the ringside it was fantastic to be able to get hands on this great stamp of a male dog, strong masculine head, balanced outline stood and on the move, he has the darkest of pigment, so his bold black spotting stands out on a crisp white background which really catches the eye, he powered around the ring from his muscular back end and won today on his maturity and depth of chest it was my pleasure to award him, Best Dog, Best Black Dog, Reserve Best in Show and Best Opposite Sex in Show

2nd Sampsonâ€™s Dalstorm Golden Guinea JW, 3 year old, black spotted, different make and shape to 1st place, but still an outstanding example of a male dog, handsome masculine head with intelligent expression, elegant balanced outline when stood and on the move, another I had not judged before and a pleasure to finally be able to get hands on him, his tail never stopped wagging really at one with his handler, Reserve Best Dog

3rd Green & Searsâ€™ Alpadal Ainâ€™t Misbehaving at Judally JW, 4 year old with an even covering of rich liver

spotting, I judged him before as a junior, so it was super to get to see how he had matured into an outstanding example of a male in our breed, another presented in tip top condition, balanced when stood and on the move, it was my pleasure to award him Best Liver Dog

Open Dog (1-1A)

Special Junior Veteran Dog (3-3A)

Special Senior Veteran Dog (3-0A)

What a super class of three older dogs, who really came into their own as they strode out around the ring, all enjoying their day out

1st De Rozarioâ€™s Dalleaf Dâ€™Accord Avec Jemblewood, 12 year old, liver spotted dog, who certainly showed that Dalmatians never lose the muscle memory to stride out, his movement belied his age, an honest dog, with his masculine head, deep chest, good bend of stifle, well rounded hind quarters and shown in tip top condition, he was enjoying his day in the ring, long may he continue! Best Veteran Dog

2nd Scott-Allen & Davisâ€™ Tolutim Yaffle, 10 year, black spotted boy, masculine head with a kind expression, lovely neck carriage into a firm topline held on the move, he was slightly overshadowed today by the personality of 1st place.

3rd Hurstâ€™s Philcarthom Xcaliber at Finnidal

Minor Puppy Bitch (6-1A)

1st Christieâ€™s Sophtspot Peek A Boo, just 6 months old, this pretty black spotted baby stood out in this class, pretty feminine head, correct front angulation, well rounded hind quarters, a balanced outline when stood and a super fluid movement, well behaved and obviously enjoying her first show, one Iâ€™ll watch with interest to see how she matures

2nd Richardsâ€™ Hafwenna Hey Jude 8 month, lovely rich liver spotted bitch with a pretty feminine head, good chest and tight cat feet, flowing movement still needs to tighten in the topline.

3rd Richardsâ€™ Hafwenna Blackbird

Puppy Bitch (6-0)

The future looks bright with such a lovely crop of puppies in this class and the last.

1st Collierâ€™s Kallierbelle Ceithir, this 11 month old with an even covering of smaller black spots caught my eye, both standing and on the move, well broken ears framed her feminine head, plenty of bone and a good chest with spring of rib, super rear angulation presenting a balanced outline on the stand and on the move, she had a fantastic rapport with her handler, she floated effortlessly around the ring, it was a pleasure to award her Best Puppy Bitch, Best Black Bitch & Best Puppy in Show

2nd Tystermanâ€™s Carodal Jacobs Ladder, another 11 month old, even covering of rich liver spots, pretty feminine head framed with well broken ears, good bone and chest, defined tuck, tight cat feet, not quite the presence when stood as first place, but another with effortless movement

3rd Kembreyâ€™s Dalmarkâ€™s Banana-Rama

Junior Bitch (4-0A)

1st Scott-Allen & Davisâ€™ Dallydyi Code Breaker, 14 month old bitch who I have oft admired ringside, so delighted with the opportunity to get hands on this girl who exudes quality from the tip of her nose to the end of her tail, feminine head with the softest inquisitive expression, evenly decorated rich liver spots, correct front angulation, deep chest, good tuck, well rounded rear with a good bend of stifle, standing she presented a beautiful balanced outline, she really excelled on the move, striding out with a rhythmic action demonstrating freedom of movement my pleasure to award her Reserve Best Bitch

2nd Chattawayâ€™s Buzzbrook Lily Of The Valley, 13 month old, bold black spotting, strong head, well off for bone, good chest, lovely movement, she made her handler work hard today, as she was a bit of a fidget when stood but she was enjoying her day out and her spotty tail never stopped wagging

3rd Boltâ€™s Fakenham Fontanella

Yearling Bitch (5-0A)

Another lovely class of promising youngsters, splitting hairs between 1st & 2nd place

1st Derrick & Ryanâ€™s Kalokairieâ€™s Hocus Pocus, 20 month old, this lightly spotted liver has a pretty head with intelligent expression, not overdone in any way, good front and rear angulation when stood and on the move presents an elegant, balanced outline, totally at one with her handler I really enjoyed watching this well schooled girl on the move

2nd Finlayâ€™s Dvojica Excuse My French at Dalfin JW, 19 month old, bold black spots on a crisp white background, shown in super condition, kind expression, well sprung ribs and good bone, fluid movement, certainly enjoying her day with her non stop waggy tail, just not as settled as 1st place when being gone over, and on another day could easily swap places

3rd Cattermoleâ€™s Jasquarella Ice Queen of Kalvadene

Maiden Bitch (6-1A)

1st Pennâ€™s Dalfellin Agape, 18 month old, lightly black spotted girl, well defined head on elegant neck, deep chest and correct angulation front and back, the tightest of cat feet, she strode around the ring with ease holding her topline

2nd Christieâ€™s Sophtspot Peek A Boo, placed 1st in MPB, she certainly held her own in this class amongst the older exhibits, I just preferred the maturity of 1st place

3rd Tystermanâ€™s Carodal Jacobs Ladder, placed 2nd in PB

Novice Bitch (7-0A)

1st Nicholsonâ€™s Steyndal Simply The Best at Dibynn, 2 year old, black spotted bitch with a good outline stood and on the move, moderate head framed with well broken ears, well laid shoulders and straight legs to catlike feet, well sprung ribs and rounded hindquarters this outgoing, happy girlâ€™s tail never stopped wagging

2nd Boltâ€™s Fakenham Fontanella, 15 month old, black spotted bitch of good proportions with good chest and rear angulation, shown in tip top condition she placed 3rd in JB but was much more settled on the move in this class, in the previous class she tended to look up at her handler which stilts her movement and affects her length of stride at the front, when she looks forward then she really strides out which earned her the place swap in this class.

3rd Chattawayâ€™s Buzzbrook Lily Of The Valley placed 2nd JB

Graduate Bitch (6-1A)

1st Scott-Allen & Davisâ€™™ Dallydyl Code Breaker, placed 1st in JB & Reserve Best Bitch  
2nd Kembreyâ€™™s Dalmark The Ash Blonde, 2 year old, evenly liver spotted bitch, slightly smaller overall make and shape than 1st place with a moderate head on good length of neck, elegant outline stood and on the move, she glided effortlessly around the ring  
3rd Morganâ€™™s Malbreow Wish Upon A Star  
Post Graduate (3-1A)  
1st Sampsonâ€™™s Tyrodal Seven of Nine at Dalstorm, 2 year old, even covering of smaller liver spots this girl is eye catching, a stunning example of the breed, moderate feminine head on a good length of neck, well laid back shoulders, good bone, straight legs to tight cat feet, deep chest with plenty of heart room, good rear angulation and super width of thigh to bend of stifle, she held her top line on move as she strode out around the ring  
2nd Healey & Wheatonâ€™™s Hebemor Ruby Tiger From Acinonyx JW, 3 year old, good covering of rich liver spotting, elegant head set on good length of neck, well proportioned when stood, and another wonderful mover, I just preferred the rear angulation of my 1st place when stood  
Limit Bitch (11-3A)  
1st Barry & Cobbâ€™™s Kalokairie Guilty Pleasure, 3 year old, with an even covering of liver spots, this girl felt super underhand, intelligent expression well framed by broken ears, deep chest and good spring of rib with correct angulation fore and rear she presented an elegant outline when stood, I liked her a lot, unfortunately she was playing up on the move today which cost her further awards, such a shame as once she gets going she has a super rhythmic movement with reach and drive.  
2nd Whiteâ€™™s Sophtspot La De Da at Belsmard, 2 year old, lightly black spotted bitch, smaller in make and shape and not the maturity in body as 1st place but really caught my eye on the move, her handler certainly gets the best out of her as they glided effortlessly around ring together, good overall proportions, I just preferred the maturity in outline of 1st place.  
3rd Thornerâ€™™s Alphadalâ€™™s Sweet Dreamer of Naracoopa  
Open Bitch (4-1A)  
1st Healeyâ€™™s Dalmark The White Witch At Hebemor, my first thoughts when I ran my hands over her were Wow! This 7 year old bitch with her even covering of rich liver spotting was my find of the day, presented in absolutely tip top condition, a stunning example of the breed, I last judged her as a 2 year old and what a pleasure to be able to judge her again and appreciate how she had matured, there is nothing over done about her and she is the epitome of a carriage dog, pretty feminine head on an elegant neck, correct angulation giving a balanced outline stood and on the move, shown on a loose lead she was allowed to reach out and drive as she floated effortlessly around the ring, this girl has what it takes to carry out hours of work behind a carriage. She quite rightly cleaned up on the awards today! Best Bitch, Best Liver Bitch, Best Veteran Bitch, she just kept showing herself to perfection and it was my pleasure to award her Best in Show and Best Veteran in Show  
2nd De Rozarioâ€™™s Jemblewood Jelly Bean (IKC) , 5 year old, with bold black spotting was certainly enjoying her day out and making her handler work hard to keep up with her exuberant demeanour, super make and shape, everything in the right place underhand, good depth of chest she moved steadily around the ring with power and drive from well rounded hindquarters  
3rd Hobbs & Whitingâ€™™s Sophtspot Knockout at Rapanooey  
Special Junior Veteran Bitch (7-1A)  
What a privilege to have the opportunity to go over this class, all fantastic examples of our breed, most of which I have had the honour of judging before  
1st Morganâ€™™s Winflash Olympic Star JW ShCM, 9 year old, this black spotted bitch was shown in fit hard condition, she really caught my eye on the move, her movement is so economic, she hardly looks like she is making any effort as she glides around ring, not over done in any way she is perfectly balanced stood and on the move, there was no denying this girl is fit for purpose and function  
2nd Finlayâ€™™s Ch Dvojica Black Swan at Dalfin ShCM, 9 year old, black spotted bitch, who I have had the pleasure of judging before as a 2 year old, since then she has had a fantastic show career, how wonderful to get hands on again to appreciate how she has matured, she just exudes femininity, shown in tip top condition she strode out around the ring with reach, drive and effortless movement  
3rd Tingeyâ€™™s Dallyador The Enchanteress JW  
Special Senior Veteran Bitch (3-1A)  
1st Thornerâ€™™s Tolutim Evensong at Naracoopa ShCM, this 11 year old, black spotted I have judged before, pretty feminine head on elegant neck, she was shown in good condition, she has a balanced outline on move and although she wanted to cut the corners there was no denying her super fluid movement  
2nd Nealâ€™™s Tolkain Portobello Belle, this 10 year old black spotted girl was certainly enjoying her day out, her tail never stopped, she made good use of the ring to make the most of her day out, and although carrying a bit of weight over her shoulders, there was no mistaking that everything was in the right place underhand  
Brace  
1st Mr C & Mrs A Healey, liver spotted, mother and daughter pair, who moved in unison to win this class  
3rd Mrs C Chappell & Mr K Williams  
Josiane Kaal
